

BURBANK MET RECOGNIZED FOR ACHIEVEMENTS

On Friday, June 14, 2013, the Burbank Mental Evaluation Team (MET), working with the Los Angeles County Department of Mental Health (LACDMH), was recognized by the Burbank Police Department command staff for their recent achievements.

The team received their awards from the Peace Officers Association of Los Angeles County (POALAC). Burbank MET consists of Sgt. Parrinello, Officer Adler, Officer Sanchez and Svitlana Anishchenko from LACDMH.

This past March, POALAC presented Burbank MET with the 2013 Centurion Award for Outstanding Mental Health Partnership with LACDMH. The partnership between LACDMH and the Burbank Police Department to create MET addresses the mental health issues of residents. The team works with area groups to obtain resources for affected individuals.
